Information

2026 - 2027 academic year

The Rialia Industria Museoa offers historical, scientific, technological and artistic content relating to the industrial process that began in our region in the late 19th century.

Once again, this year, we invite you to take part in our educational programme.

We offer guided tours designed:

- For all educational stages
- Providing experiences and learning within the context of the museum
- Using a participatory and active approach

Schedule: 10:00 - 14:00 / 16:00 - 18:00

Duration: 1 hour

Price: Free

Languages: Spanish / Basque / English

Groups: Maximum 25 participants. The group will take part in the activity with a museum guide at the booked time

Reservation:

- www.rialia.eus
- rialia@portugalete.org
- 94 472 43 84

Early Childhood Education · 5 years old

WELCOME TO RIALIA INDUSTRIA MUSEOA

We'll explore the museum and play
with different materials and textures
to create our own work of art.

**ESKULTURA
MISTERIOTSUA**

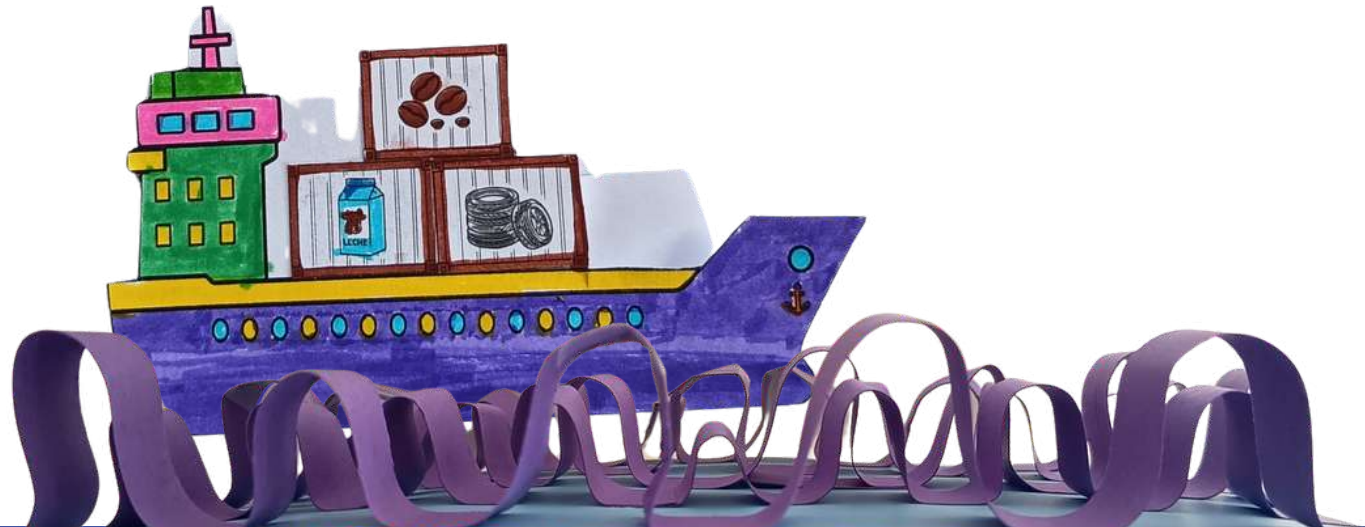

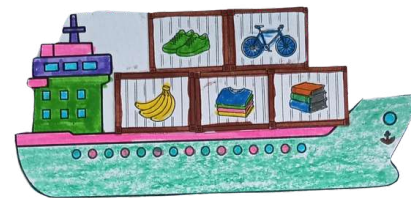

Primary Education · 1st and 2nd Grade

TO THE RYTHM OF THE SEA

Nervión River has been a witness of significant changes in the surroundings. We will talk about the importance of the tides in navigation.

A practice activity is included.

Primary Education · 3rd and 4th Grade

TEK - TEK TEKNOLOGIA

We will identify, describe and name the industrial machines and tools at the Rialia Industria Museoa.

We will round off the visit by making a tool.

Primary Education · 5th and 6th Grade

INDUSTRIAL STRUCTURES

Why were they built?

We will locate different industrial installations and create a model of suspension bridge using recycled materials.

Special Education Classroom

MEMORY CARDS

We reinvented the board game to discover the Museum's collection.

NAUTICAL FLAGS

Figure out their meaning. A practice activity related to maritime communication codes.

*Find out about other activities on offer. We adapt to each group.

Professional training and 1st and 2nd Grade of Secondary Education

FROM ORE TO STEEL

Would you like to find out how steel is made?

We'll learn about the raw materials and the machines that make its production possible.

And afterwards, we'll put what we've learnt into practice in a hands-on activity.

BURDIN MEA

ARRABIOA

ALTZAIKUZ EGINDAKO
PRODUKTUAK

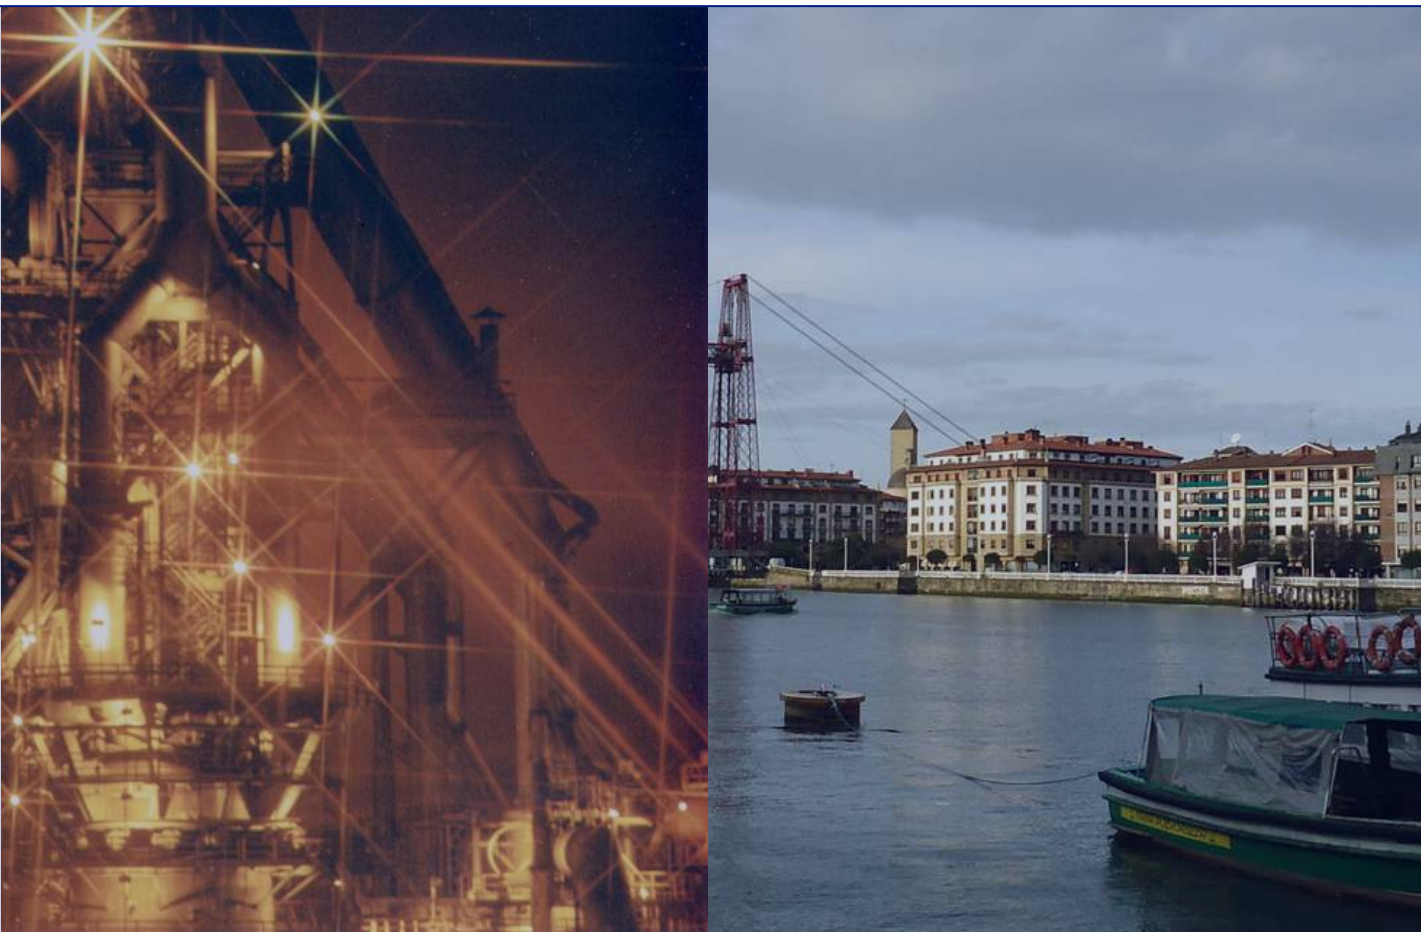

3rd and 4th Grade of Secondary Education

INDUSTRIAL ART

Artists of the 19th and 20th centuries drew inspiration from the factory environment to create works of art that we will see at the Rialia Industria Museoa.

Baccalaureate

IRON AND SEA

Our recent past.

We will take a guided tour
focusing on
industrialisation.

WE ARE WAITING FOR YOU!
