2 Early Childhood Education

4 and 5 years old

"WE VISIT RIALIA INDUSTRIA MUSEOA "

Are all museums the same?

First contact with Rialia Industria Museoa through the senses.

3 Primary Education

1º - 2º

"TO THE RYTHM OF THE SEA"

Nervión River has been a witness of significant changes in the surroundings. We will talk about the importance of the tides in navigation.

A practice activity is included.

3 Primary Education

3º - 4º

“TEK - TEK TEKNOLOGIA”

We will locate, describe and name the machines and industrial tools that are in the Museum.

Using what we have learned during the visit, we will complete a worksheet with their names and uses.

3 Primary Education

5º - 6º

"INDUSTRIAL STRUCTURES"

Why were they built?

We will locate different industrial installations and create a model of suspension bridge using recycled materials.

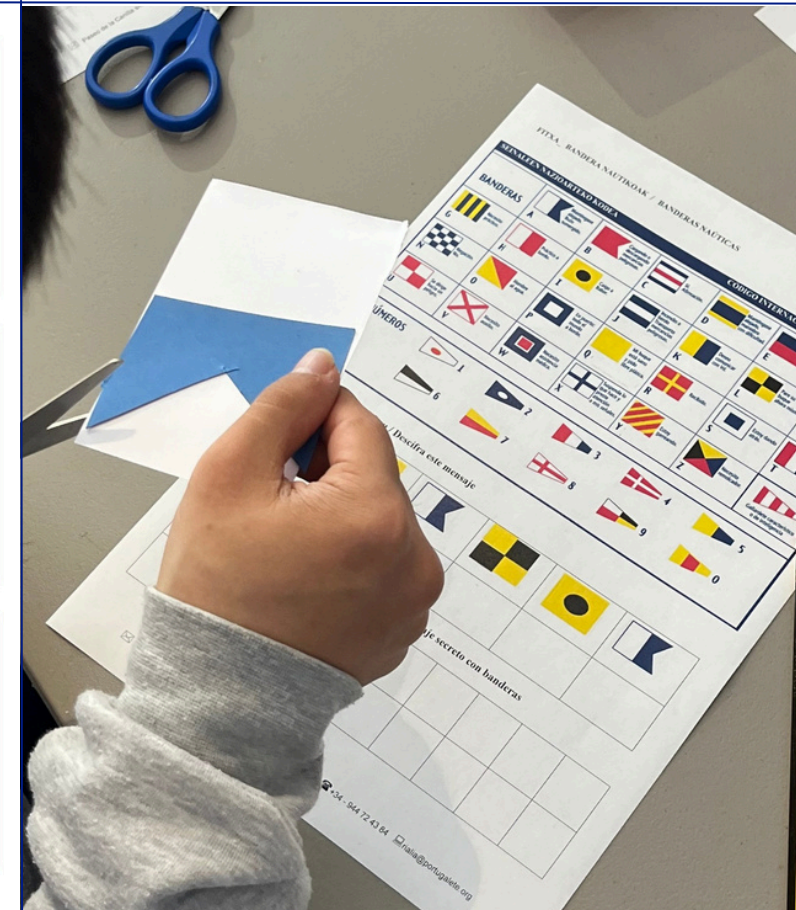

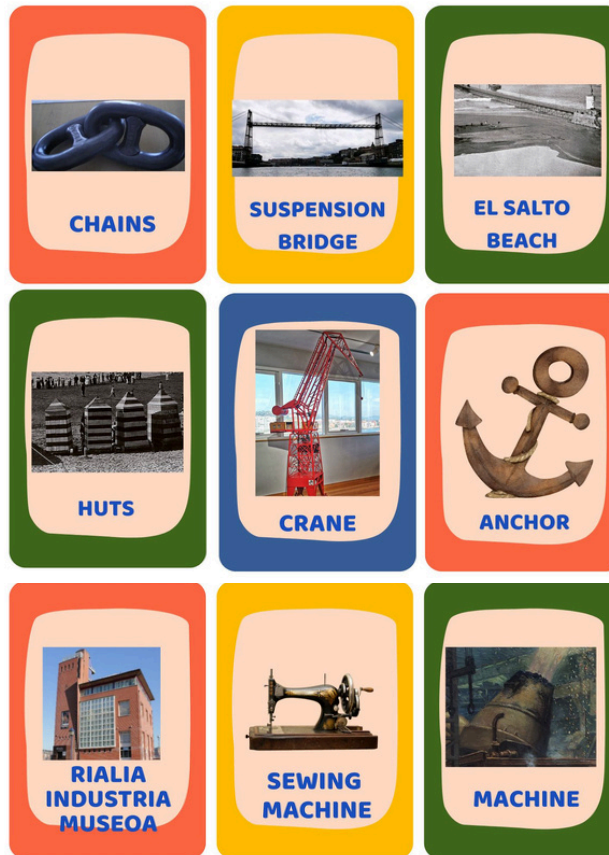

4 Special Education Classroom

"MEMORY CARDS"

We reinvented the board game to discover the Museum's collection.

"NAUTICAL FLAGS"

Figure out their meaning. A practice activity related to maritime communication codes.

5 Secondary Education

Professional Training

1st and 2nd of Secondary Education

"Fe + C = STEEL"

Are all the metals the same?

We will talk about the minerals and machines of steel production.

To complete the visit, we will do a crossword on this topic.

3rd and 4th of Secondary Education

"INDUSTRIAL ART"

Historically, the factory environment has inspired artistic creation.

Some of these art works can be seen in Rialia Industria Museoa.

6 Baccalaureate

“IRON AND SEA”

How has our recent past been?

We will do a guide discussion tour about the industrialization.

WE ARE WAITING FOR YOU!
